## 06 – COLD OUTREACH & NURTURE EMAIL SEQUENCE

Email Strategy

**Subject:** Quick question regarding [Company Name]'s tech stack scaling

Hi [First Name],

Noticed [Company Name] recently launched [Product/Feature]. Congrats on the traction! Most Series-A CTOs we talk to hit scaling roadblocks around AWS infrastructure or mobile app performance at this stage.

We built an MVP architecture audit checklist that helped [Client X] cut server costs by 35% while handling 10x traffic. Would you be open to a 10-minute teardown call this Thursday?

Best,

Lead Growth Engineer, ApexTech Labs

## 07 – PAID ADVERTISING CAMPAIGN ARCHITECTURE

Paid Channels

### Google Search Ads (High Intent BOFU)

- **Budget:** \$2,500 / month.
- **Ad Groups:** Custom SaaS Dev, MVP Agency, Hire Developers.
- **Ad Copy:** "Build Your SaaS MVP in 60 Days. Fixed Pricing. Zero Hidden Fees. Book Free CTO Call."

### LinkedIn InMail & Lead Gen Forms

- **Budget:** \$2,500 / month.
- **Targeting:** CTOs, Tech VPs in US/UK (Company size: 11-200).
- **Offer:** Download PDF: "2026 SaaS Architecture Benchmark Report."
