9. CAMPAIGN REPORT & CONTINUOUS IMPROVEMENT PLAN

Analysis

What Worked Well (Highlights)

- **LinkedIn Carousel Ads:** Generated highest engagement rate (4.1%) among technical decision makers.
- **SEO Pillar Page:** Ranked on Page 1 for transactional keywords within 60 days.
- **Cold Outreach:** Personalized CTO pain point angle achieved a 22% email open rate and 4.8% reply rate.

Areas for Optimization

- **Landing Page Bounce Rate:** Mobile bounce rate was high (62%); needs speed & layout optimization.
- **Top of Funnel Conversion:** TOFU blog readers were slow to convert; add interactive lead magnets (e.g., Cost Estimator).
- **Retargeting Gaps:** Need dedicated retargeting ads for visitors who dropped off at the booking calendar step.
